AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (withdrawn) A hard-surface cleaning composition for removing cooked-, baked-, or burnt-on food soil from cookware and tableware, the composition comprising an organic solvent system and a cyclodextrin malodor-control agent.
2. (currently amended) A method of removing cooked-, baked- or burnt-on soils from cookware and tableware comprising treating the cookware/tableware with a hard surface cleaning composition comprising an organic solvent system comprising an organoamine solvent and a cyclodextrin malodor-control agent according to claim 1.
3. (canceled)
4. (canceled).
5. (canceled)
6. (currently amended) A method according to claim ~~[[2]]~~ 7 ~~comprising the step of pre-treating the cookware/tableware with the hard surface cleaning composition and~~ covering the ~~pre-treated~~ cookware/tableware with cling film for a time sufficient to promote swelling of the soil prior to manual or automatic dishwashing.
7. (new) A method according to claim 2 further comprising the step of washing manually, rinsing, wiping or in an automatic dishwashing machine.
8. (new) A method according to claim 2 wherein the hard surface cleaning composition further comprises a spreading auxiliary.
9. (new) A method according to claim 7 wherein the spreading auxiliary is selected from organic solvents, wetting agents and mixtures thereof.
10. (new) A method according to Claim 8 wherein the spreading auxiliary is an organic solvent selected from alcoholic solvents, glycols and glycol derivatives and mixtures thereof.
